

Annual Fund Sets Record

A record of \$62,055 was raised by the 1977-78 Annual Fund Appeal that closed on June 30th. More important, the number of alumnae donors (1549) rose 26% over 1976-77.

Donors to the Annual Fund were 14.8% of Lasell's alumnae body, a figure approaching the national average for all colleges and universities of 18%, and of special significance for a two year college. **Heartfelt thanks to all who participated in this achievement.**

Class gifts excel—Congratulations to 1942, 1956 and 1907! The largest class gift, \$7,046.25, came from 1942; the largest number of donors, 40, from 1956; and topping the list for highest percentage of donors was 1907 with 70%. The College also takes special note of **Reunion gifts**—congratulations also to 1933 (45th Reunion) with the largest gift of \$1,255 and 1938 (40th Reunion) with the greatest number of donors, 32 contributors. The highest percentage was from the class of 1907 (70th Reunion).

Academic year 1978-79 is underway.

WELCOME TO LASELL! A NEW YEAR BEGINS

The campus came alive as academic year 1978-79 began on September 8th. Arriving were nearly 360 freshmen and over 80% of last year's

class as returning seniors. Many were referred by our prime recruiters, the alumnae. Thank you for your part in making 1978-79 another promising year for the Lasell community.

From Lasell to Mademoiselle

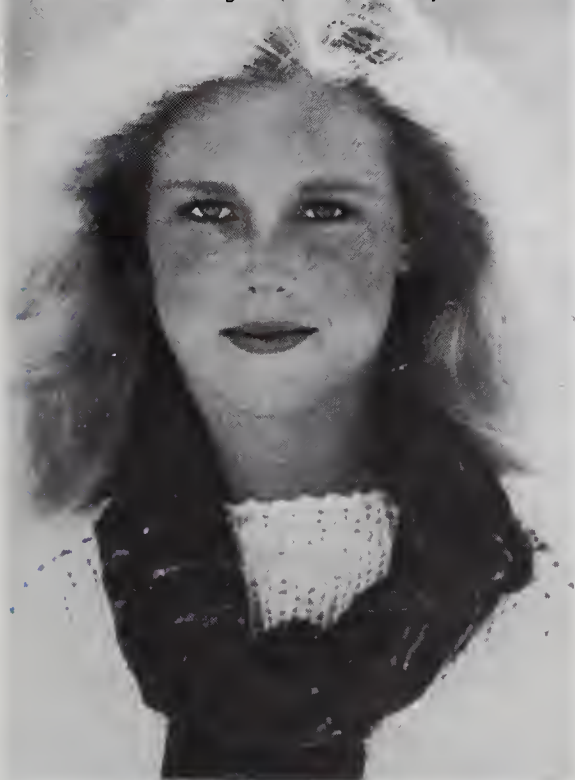

Nancy DONAHUE '78 appears on *Mademoiselle* magazine's August cover. Never before out of New England, she left graduation to model in Rome, France, England and New York. About her daughter's career, Nancy "Straw" LAWSON Donahue '49 says, "Our family (11 children and husband Richard) is excited, we think it's fun!"

Straw visited Nancy in New York to find pace hectic, people unexpectedly warm, and a lifestyle requiring "plenty of stamina." Jogging, exercising and modeling, Nancy is on the go from 8 a.m. to 6 p.m. Despite success—French and English Vogue, more *Mademoiselle* covers to come—Nancy remains shy. She is just beginning to explore New York, but still enjoys weekends at the family place on Cape Cod. Keep your eyes on this Lasell alumna!

PRESIDENT'S MESSAGE

Dear Alumnae,
In our 128th year, Lasell is healthy, strong, and looking forward to the future with confidence that we will be able to bring the unique Lasell educational experience to additional generations of women.

Constantly we hear the question—"What are the current students like?" It causes us to stop and ponder and after reflection we can honestly state that today's Lasell woman is today's counterpart of generations of Lasell women of the past. They come from a wide variety of family backgrounds and yet leave with the strength and understandings vital to success.

We invite you to return and witness your Alma Mater in action.

With warmest regards,

Arthur M. Griffin
